## Brainstorming & Idea Prioritization Template

Each team member lists as many ideas as possible without judging them at this stage.

### Step 1: Brainstorm and Idea Listing

| S.No | Team Member    | Idea / Suggestion                       | Category | Group No. |
|------|----------------|-----------------------------------------|----------|-----------|
| 1    | M VijayaKumari | Loan Approval Prediction (Smart Lender) | AI & ML  | 1         |

### Step 2: Idea Prioritization

Rate each grouped idea on feasibility and importance, then select the final idea(s) to move forward with.

| Group No. | Final Idea                              | Feasibility (High/Medium/Low) | Importance (High/Medium/Low) | Priority | Selected (Yes/No) |
|-----------|-----------------------------------------|-------------------------------|------------------------------|----------|-------------------|
| 1         | Loan Approval Prediction (Smart Lender) | High                          | High                         | 1        | Yes               |
| 1         | Credit Risk Scoring System              | Medium                        | Medium                       | 2        | No                |
| 1         | Automated Debt-to-Income Assessor       | Medium                        | Low                          | 3        | No                |
